NEVADA CITY IS LOSER IN GAME WITH SAN JUAN

Hard Fought Game Results in Score of 20 to 16 Saturday

Nevada City High School's football team has no path of roses to tread in attaining glory this year. Victim of one of the most disheartening of close games last Saturday against the San Juan High, of Fair Oaks, the team has now been put down twice, but not out. Starting the year with a 14—0 win over Auburn and a 6—0 loss to Placerville, this third game was a tough one to lose.

The team, nor the players, need not feel badly over their two loses, as both of them can be traced to misfortunes and not to inferior football playing.

Starting the game Saturday at Fair Oaks, Nevada City kicked off to San Juan and downed the ball carrier on the 40 yard line. After no gains on three line plays, San Juan punted to the Nevada City 15 yard line where Chapman was put down with no return.

On the first Nevada City play, Tucholini, fast halfback, on a double reverse carried the ball to the 32 yard line before being downed. On the second play, using a fake pass play he ran around end for a 26 yard gain which placed the ball on San Juan's 42 yard line. But that play wrecked havoc with the local team. Tuchlini injured his ankle and had to be removed from the game. What a bum break that was for coach Barren's team. This clever ball packer will be out of the game for at least two weeks.

Barker replaced the injured player—Nevada City's third play was a pass. Halfback Pierce dropped back and shot the ball to right end Bob Tamblyn who snagged the old pigskin on the 15 yard line. Dodging and twisting through several San Juan players, Tamblyn crossed the and chalked up the first touchdown, which was the result of only three Nevada City plays in which they gained a total of 85 yards. Score at this point—Nevada City 6, San Juan —0. The attempted pass for conversion was incomplete.

Kicking off again and after an exchange of punts, Nevada City found herself in the possession of the ball on her own 10 yard line. Two line plays failed to gain much yardage and on the htird down, an attempted quick kick was blocked by San Juan and recovered by her on Nevada City's 2 yard line. Just one more tough break.

Three line plays by San Juan pushed the ball forward two yards and gave them a touchdown and six more points. Their center sneak for extra point was successful making the score Nevada City—6, San Juan—7.

In the second half, Nevada City kicked off again and finally held San Juan for downs on the Nevada Ciity 40 yard line. A pass was intercepted by San Juan and run back to the Nevada City 40 yard line, giving San Juan possession of the ball at that point. Using a series of line bucks and end runs, the much heavier San Juan team m arched down the field for their second touch down. Converting on a line plunge they made the score 14 to 6 in their favor.

San Juan kicked off to the 15 yard line and after an exchange of punts, Nevada City h eld the ball on their own 15 yard line. A pass was intercepted by San Juan and it was San Juan's ball on Nevada City's 40 yard marker. Trying four end runs and line plays, San Juan lost the ball just short of a first down. Nevada City made a few gains and then fumbled on their 35 yard line. San Juan recovered and using a series of end runs and line bucks, smashed their way to another score. A line plunge gave them the extra point making the score 20 to 16 in their favor.

San Juan again kicked off to the Nevada City team's 15 yard line from where Chapman plunged his way to the 40 yard stripe. Using a series of off tackle smashes, featuring fullback Oates, Nevada City made two first downs which placed the ball on the San Juan 30 yard line. On the next play, with first down and ten yards to go, Oates received the ball on a reverse and passed successfully to Doyle who speared it in the end zone. This made the score 20 to 12 and when Tamblyn snared the ball from Oates on the try-for-point the board read Nevada City—13 and San Juan —20.

All during the fourth quarter the home team was the aggressor and for the most part had the ball in San Juan's territory. But with a very badly crippled team and with a still inexperienced nucleus Nevada City was unable to score again in the final period. The game ended with Nevada City in possession of the ball on San Juan's 20 yard line, first

(Continued on Page Six)

SKI CLUB DANCE IS BIG SUCCESS

After about two weeks of careful preparation, the Nevada City-Grass Valley Ski Club succeeded in putting over their benefit entertainment and dance last Saturday night in splendid fashion at the Redmen's Hall at this place. Not only from a social standpoint, but also from a financial standpoint was the dance a success. With the returns it should be possible to purchase a very fair engine and cable.

Starting the program off at the ring of the bell at 8 o'clock, the Boy Scout Troop from Grass Valley put on a series of stunts consisting of yells, tumbling and exhibitions of fire starting by friction, which by the way is no small stunt in itself.

This was followed by two clever novelty selections given by Beverly Barron. He played "Nola" by Brown and "Coaxing the Keys" by Zez Konfrey.

Mrs. Talbot's dancing class gave a very neat series of tap dancing. The girls were the Misses Ruth Curnow, Margaret Smithcamp and Miss Betsy Bennett.

Mrs. Stine was given an ovation after her whistling solo. It was followed by a whistling duet in which Mrs. Elliott warbled in tune with Mrs. Stine.

Mrs. Elliott then continued her entertaining and sang two very nice songs.

Harold Smith treated the assembly to two banjo solos that were followed by Frank Cartoscella's solos on the Accordian.

Mrs. Bennett's dancing class took the floor to complete the entertainment and went through the graceful movements of a ballet dance.

The Nevada City orchtstra—the "Gold Dust Troubadores," consisting of some of the best of the local musicians, struck up the latest dance hits and the dance was on. Until one or two o'clock in the morning the dancers tripped the light fantastic and thoroughly enjoyed the evening.

IMPROVEMENT PROGRAM FOR CITY IS UNDER WAY

The construction crew of the City of Nevada will start work today on a program which will include the construction of a bridge over Little Deer Creek on Nimrod street and other work.

Herbert Hallett, superintendent of streets, is in charge of the work and states that Coyote street will be improved by the application of a coat of paving.

At a recent meeting of the board of trustees bids were opened for the construction of the bridge and E. A. Kelliher was awarded the job with a bid of $340.

Other improvements will include work on the outskirts of the city near the forks of the Tahoe-Ukiah highway and county hospital boulevards. The jutting bank here will be cut down to make safer travel for motorists.

FEDERAL LOAN PROPERTY WAS GOOD PRODUCER

A. G. Ogden was a caller at the Nugget office last Friday and in conversation told us that at one time he with his brothers leased the Federal Loan properties in Willow Valley, now under lease to the Silver Pick company. The property was then owned by Wisbine Bros.

It was operated successfully by Ogden Bros, for some time in the early 90's. They ran a 150 foot drain tunnel and sunk the shaft from 800 feet to 1000 feet—while for the most part the ledge was low grade ore. Some very fine ore was found near the 800 foot level.

This property is just north of the Murchie mine that is running good values in ore at the present time.

Mrs. Ella M. Austin, county superintendent of schools, returned Thursday night from the State Superintendents convention of California in Berkeley. Mrs. Austin was away nearly a week.

J. M. HOFF GOES TO JAIL TODAY

Mine Operator Who Fails to Pay Wages Now in County Bastile

A big crowd gathered about Judge Mobley's office this afternoon and saw Deputy Sheriff Bill Rickard march J. M. Hoff off to jail at half past two o'clock.

Hoff was convicted last June 29th on a violation of the state labor laws. The complaints were filed on the 6th of June. A lot of interest was given this case as Hoff and Harry J. Rogers, while drawing down $10,000 in a few monhts time, let labor bills by 63 people be run up against them for nearly $9,000. The bills were wages for work done on the group of claims about four miles east of here now in possession of the Silver Pick company of Nevada.

The case was appealed on August 27th and argued in the superior court under Judge Tuttle on October 5th. On October 8th the superior court handed down the opinion which upheld the decision of the lower court.

Hoff was sentenced to a total of ten months imprisonment on five counts. Rogers was fined $300 and was given 60 days from today to pay his fine. He promised to comply with the decision of the court.

Twenty-four hundred dollars was posted by Hoff as bail. He showed up at two o'clock today, just in time to save forfeiture. He appealed to the court for a stay of execution of judgment for 60 days. This was denied him and he was given into custody of the sheriff's office.

YOUTHFUL BANDITS ARRESTED TRUCKEE

Sheriff George Carter is still holding for investigation the three 19-year-old penny weighing machine bandits that were caught plying their trade in Truckee last Thursday night.

Tim O'Hanrahan, Truckee hotel keeper, was the cause of their downfall. He was awakened by the hammering of the trio on a machine in front of the drug store adjoining the Truckee Tavern. Throwing on some clothes and grabbing a gun, O'Hanrahan slipped out the side door of the hotel and blazed away twice in the air, demanding a surrender. The trio submitted to capture.

Sheriff Carter and Deputy William Rickard motored ot Truckee and picked up the youthful bandits the following day and returned them to jail here in Nevada City.

They gave the names of Stanley Graham, wife, Mary Graham and his sister, Edith Graham. All said they were 19 years old and from Seattle.

The three are known to have robbed a weighing machine at Marysville of about 1200 pennies. They robbed the scales in front of the Sprouse-Reitz company store and last Wednesday night took about 400 pennies from the local Harris pharmacy machine.

The trio will be held for investigation pending trial.

WELL KNOWN MINES SOON TO CONNECT

William A. McKenzie, of the McKenzie mine just west of Nevada City about a mile on the Indian Flat road, states that the ledge they have been followig will soon run into the Oustamah property which is the boundary of the McKenzie mine on the northeast.

The ledge is the same one that the Oustamah people worked several years ago. According to Frank S. Morgan, former superintendent of the Oustamah mine, the ledge is four feet wide and did average $50 per ton. Morgan is now executioner of the Oustamah estate.

The ledge is a parallel one and runs northwest and southeast.

The McKenzie mine has four ledges and gravel gold that has been worked at a profit. Just recently a gravel deposit has been opened that gives good promise. Returns from samples of the gravel are now being awaited.

Frank Nelson of Washington was in town today on a busniess trip. He is returning this evening.

D. F. NORTON OF GRASS VALLEY IS VERY SICK

The report current about Nevada City and Grass Valley yesterday that Daniel F. Norton had passed away was not true. In a talk with Dr. H. N. Marsh, attending physician at Grass Valley, we learned this noon that although Mr. Norton is still very seriously ill, he is much better than he was yesterday. His condition was very low yesterday and he had lapsed into unconsciousness. That fact probably started the report that he had passed away.

Adding strength to the rumor was the fact that before losing consciousness, Mr. Norton requested htat Coroner Andrew M. Holmes take charge of his remains after death.

Ailments incidental to old age are the cause of Mr. Norton's serious condition and the attending physician can do but little to help his patient. Mr. Norton has just passed his 80th birthday.

Mr. Norton has held the position of horticultural commissioner of Nevada county for nearly thirty years. He resigned the position about two weeks ago, the board of supervisors accepting the resignation at their monthly meeting, October 3rd.

Ill health was given by Mr. Norton as his reason for resigning the office but it was not generally known he was seriously ill until a few days ago.

The many friends of Mr. Norton's are hoping that he will soon be entirely recovered.

TIE GAME RESULTS AT GRASS VALLEY SUNDAY

In their first game of the season the Grass Valley town football team played a tough 0 to 0 tie game with the Jackson town team at the Grass Valley high school grounds yesterday afternoon.

Taking the form of a fairly even punting duel, the two teams battled 60 minutes with only one serious threat being offered by each team.

In the second quarter, the Jackson team worked the ball down to the Grass Valley ten yard line. They tried a pass on the fourth down in a play that would probably have resulted in a touchdown if it had connected. Instead it fell incomplete and Jackson had shot her bolt.

Bringing the crowd to its feet in the last minute of play, Grass Valley worked the ball down to scoring territory. Staking all on one desperate pass before the whistle blew, a pass was thrown to a Grass Valley player over the goal line. The Grass Valley man was between two Jackson players and all three went up in the air after the ball only to fall sprawling without it. Grass Valley protested that the receiver had been interfered with, but it was not allowed.

The no score game ended a few minutes later.

A Grass Valley punt was blocked in the first quarter and Jackson recovered on the 30 yard line. She was unable to penetrate the strong Grass Valley line and lost the ball on downs.

The punting on both sides was excellent. Jackson displayed the best aerial attack while Grass Valley showed a much stronger attack.

A number of Nevada City boys play on the Grass Valley team, as we have no town team in football here yet.

Mobley and Tharp, Nevada City players, did much to strengthen the Grass Valley team.

LOCAL BOY MAKES GOOD IN BASEBALL WORLD

Many friends who remember 'Bill' Rodda, son of James "Queenie" Rodda, of Grass Valley, will be pleased to know that he has been sold to the baseball league of Minneapolis, Minnesota.

"Bill" was born in Boston Ravine, and received his primary education in Grass Valley attending the Watts school. He later moved to Oakland, where he played baseball with the so-called "brush" league.

The Mission baseball team became interested in his playing and he played with them two seasons. He was then sold to a southern league, with Nashville, Tenn., as the headquarters. At the end of this season, a scout from the big league secured a sale for him and he played the last month of the season with the team. It will no doubt please some of the old residents of Grass Valley to know that one home town boy has made good.

CONGRESSMAN ENGLEBRIGHT IS PRINCIPAL SPEAKER AT AUBURN

FRENCH CORRAL MAN MEETS WITH ACCIDENT

While mining on the South fork of the Yuba River about two miles above Bridgeport, William Borton met with a very painful accident to his eye last Friday morning. Borton, who is working with Howard painter and Frank Miller, also of French Corral, was breaking open a huge rock with a sledge hammer when a chip from the rock flew off and struck him in the left eye ball.

With this painful injury, it was necessary for Borton to climb up out of the steep south fork canyon for about two miles. Then he had to ride the 18 miles into Nevada City to see a doctor. Mr. and Mrs. Painter drove him to town.

Mr. Borton has been mining near this part of the country for many years. His friends will be sorry to learn of his misfortune. It is expected that with proper care the eye should regain its full strength in a few weeks.

GIRLS LEAGUE HOLDS PARTY LAST FRIDAY

The Girls League, membership of which includes every girl in the four classes of Nevada City High School, held a pajama stagette in the high school auditorium last Friday evening. Over 100 girls were present and enjoyed their frolic for the entire evening without the marring influence of the males. Some of the high school boys tried to "crash" the party but found themselves ejected forcefully, and efficiently.

The program consisted of several vocal solos and duets. A few piano numbers were given and the Keller sisters gave a very cleaver act which consisted of acrobatic and tap dancing.

The congregation was then divided up into twelve groups representing the months of the year. The girls were grouped together that way according to their birthdays. Each group was required to put on an original stunt of some kind. Several of the resulting acts were really very clever, with the July contingent receiving the biggest handicap. Miss Beryl Grandholm took the part of a driver while the rest of the July group played that they were the automobile. The antics depicted were very clever and brought much laughter, especially when the girl who was representing the hind tire "went flat."

Ruth Rector and Phylis Horn put over a clever act that scored a hit with their magic circle.

Half of the girls played they were men and a regular dance was held. This was followed by refreshments by a special refreshment committee, which were consumed with much enjoyment.

Women teachers of the high school attended in some of the most gayly colored costumes. Miss Carter would have taken the prize if there had been one, with her very, very orange pajamas.

By eleven o'clock the girls voted the evening a huge success and were on their way homeward.

The entertainment and refreshment committee deserve a great deal of credit. It was in charge of Miss Louise Schreiber. The decoration committee worked under the direction of Miss Lorine Smith.

Miss Phillis Horn is president of the Girls League Miss Gertrude Sawyer is vice-president and Miss Rachel Hoffman is the secretary-treasurer.

The French Corral-San Juan bus was held over Friday night so that some of the girls from out of town could attend the frolic.

Many of the girls express the desire to hold these events more often in the future.

MINES BATTLE OVER MIDDLE FORK GRAVEL

The legal battle between the Delhi Mining company and the River Mines company that was set for October 31st in the superior court, has been changed to November 16th. Judge Raglan Tuttle changed the dates because of the fact that he will still be in Los Angeles presiding on the former date.

Louis Nonnemann, owner of the Delhi mines, is the plaintiff.

Big Celebration at Auburn is Attended by Crowd of Over 5000 People

PARADE IS MILE LONG

Banner Mountain Post, V. F. W., Takes Part in Ceremonies

At one of the largest gatherings of people seen in this district for a long time, the new Memorial Hall at Auburn was dedicated yesterday. It is estimated that between 500 and 6000 people from all ove northern California were present. About 15 cities were represented by the seven bands and six bugle corps. The 184th regiment of the National Guard from Placer county was on hand with its excellent band.

The parade was nearly a mile long and for the most part was composed of four columns. Banner Mountain Post of the Veterans of Foreign Wars was well represented. The post is the newly organized one from Nevada City and was installed by the Lt. Landsdale post from Sacramento. The local post was represented by Max Weiss, Norman Kissel, Homer Tonella, Al Keller, John Marks, Edward Rose, John Figerski, John Howard, Andrew Tobiason and Joseph Meeks, at Auburn yesterday.

The Grass Valley American Legion comprising a number of Nevada City residents, was well represented. They made a very good showing with their drum and bugle corps, bringing much applause from the assembly.

Congressman Harry Englebright of Nevada City made the dedication speech, which brought the house down at its conclusion. Several other high state representatives and commanding officials in the Veterans of Foreign Wars and the American Legion gave talks during the ceremony.

A 91-year-old Civil War veteran and a member of the G. A. R. made a speech that commanded considerable applause.

The national commander of the ladies auxiliary of the Veterans of Foreign Wars, Countsuela De Coe, was on hand and made a short talk.

The new building is a huge red brick structure of the latest architectural design. It has a large auditorium, a well appointed banquet hall and several spacious lodge rooms. The entrnce is guarded by two big German cannons that sit with reserved dignity on each side of the front steps.

Buck Stew is Feature

To celebrate hte occasion a buck stew was given. Entertainers were on hand to lend the event a more professional color and outdoor sports had their place in the day's festivities.

Outstanding in the many events that happened throughout the day was the clever demonstration exhibited by the Lt. Landsdale post of the V. F. W. from Sacramento.

The Chico American Bugle corps who won the class "B" championship in Oakland recently, put on a snappy drill. Their perfection in the execution of manduvers was thrilling and won much applause. The new uniforms they displayed helped much in adding color to their performance.

The inauguration lasted most of the day and certainly was a success as it went over in a big way.

Banner Mountain Post, Veterans of Foreign Wars, are giving a benefit dance at Twin Cities dance hall this coming Saturday, October 22. The proceeds will go toward buying of colors for the local post which was organized recently. Tickets will be on sale at Kissel's Shoe Shop on Pine street, just south of Broad street.

NATIONAL RECORD IS MADE BY GUERNSEY COW OF G.V.

Peterboro, N. H., a cow in the herd of Harry B. Cox, of Grass Valley has just finished a new official record for production which entitles her to entry in the Advanced Register of the American Guernsey Cattle Club. This animal is Princess of Fairyland 189955 with a production of 8924.8 pounds of milk and 419.0 pounds of fat in class AAA.

San Mateo—Bids opened for supplying material for proposed $20,000 San Mateo golf course.

WARD WEEK

ONLY TWICE A YEAR IN 500 STORES

Started Saturday

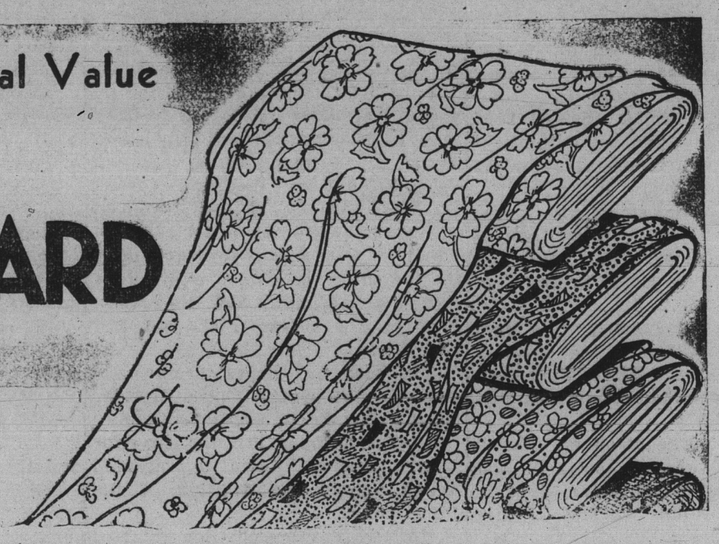
October 15 to 22 inclusive

Fast Color Prints

This is a WARD WEEK Special!

Take Advantage of This Exceptional Value

36 INCH 8¢ A YARD



We foresaw the rise in price of Prints, and contracted months ago for thousands of yards for our stores on the lowest market since 1918.
We do not know when again, if ever, we will be able to offer FAST COLOR PRINTS at this low price. These Prints are TUBFAST and the yTUB EASILY.
You'll find a dozen uses for them. Come and choose from delightful new Fall patterns!

39-in New Rayon Prints 59c
We started with the idea of having not only the cleverest "styles" we've ever had, but prints so simple (new small designs, of course)—that anybody could wear them with pleasure and thrift. Our stylist selected the clear colors and designs smart women want ..... 59c yard

39-inch All Rayon Taffeta 29c
Excellent quality Rayon Taffeta, very popular for Bedspreads, Fancy Pillows, Dress Slips, etc. Full range of newest Fall colors—dark and pastel. Exceptional at htis low price..... 29c yard

36-inch Outing Flannel 95c
Fancy stripes in very fine weight and finish. Ideal for, kiddies' pajamas, nighties, sleepers. Extra special at ..... 10c yard or 10 yards for 95c

81-inch Longwear Bleached Sheeting 18c
Our best selling brand. Used for double beds. For this week only the price is lowest we have ever offered for full two and one half yards width—
..... 18c yard

81-inch Unbleached Sheeting 17c
The same sturdy LONGWEAR weave. Depend on it for quality and wear—and a special saving during Ward Week only ..... 17c yard

81x90 Sheets 49c
If you have little to spend this year these are the sheets to select. Our bargain grade has an average breaking strength of 30 pounds to the square inch. They represent durability and practical serviceability far beyond what you expect at these prices ..... 49c each

Unbleached Muslin
Finer closer weave. Weighs 3.4 oz. to yard.
Special .07 yard

42x36 Longwear Pillow Cases 25c
Two for 25c
Made from 42-inch pillow casing to match LONGWEAR SHEETS. These are a Ward Week special. Two for 25c

Extra Large Turkish Towels 25c
At a price they would cost today at the mills! Size 23 inches by 46 inches. Colored borders. The big event in towel prices! Two for 25c

80x105 Bed Spread 75c
A sturdy quality attractive cotton clinkle spread in assorted colors. Do not miss this at this unusual sale price ..... 75c each

80x105 Rayon Bed Spread $1.59
Very fine quality and beautiful pattern. Scalloped edges. In rich colors: Blue, Rose, Gold, Orchid, Green. An extra special bed spread at lowest price you are ever likely to pay ..... $1.59 each

FOOTWEAR SPECIAL

Ladies' Straps and Ties $1.29 pair
Latest styles—all sizes. Black and Reptilian trim.
..... $1.29 pair

Children's Oxfords $1.00 pair
Sturdy Footwear for the youngsters ..... $1.00 pair

HOUSE DRESSES

They're Here the New Wash Frocks
Positively the newest, smartest, and most serviceable WASH FROCKS you ever saw! And they're thrillingly underpriced just for Ward Week. If saving money means anything to you, then come and see them... and buy them... THREE FOR A DOLLAR.

All made in lovely vat-dyed Prints... All washable. Made to stand many trips to the tub... easy to launder.
Sizes: Small, Medium, Large. In an assortment of ten charming styles. We're proud of this low price.

THREE FOR $1.00

BLANKETS

$4.69

All-Wool Plaid Blanket $4.69
Another Ward Week "Special" Buy! All pure wool (4 lbs. per pair). Size 66 inches by 80 inches. Assortment of attractive colors. Sateen bound ends.
Bargain price $4.69

72x82 Cotton Filled Comforter $1.49
Fine grade cotton filling. Covered attractive printed silkoline. A record breaking price for this quality Comforter $1.49

72x84 Wool Filled Comforter $2.69

ALLEGHANY

We are happy to welcome Judge Austin home after his recent operation.

Mrs. Jimmie Warner, who has been ill, left for Sacramento, for a visit with her sister. We hope for a speedy recovery.

The deer season has just come to an end and a great many hunters have been successful.

Little June Agostine is recovering from having an infected knee. We are all glad to hear she is better.

Our little town was saddened by the news of the death of Carey A. Manion, who died at his home in Oakland. Carey had many friends here, who will miss him. Our very sincere sympathy is extended to his good wife who was formerly Miss Julia Purcell, from Moore's Flat, Nevada County, and the remaining relatives.

So happy to learn that Miss Eileen Godfrey, of Pike, California is recovering from her injuries, as she was hurt in falling from a tree at Mills College, wher she is attending school.

Mrs. Mary Meehan is visiting her niece, Mrs. I. E. Green this week.

Mr. R. R. Monbeck, of the U. S. Geological survey, accompanied by T. Sigouruey left for Nevada City last Wednesday morning.

Mr. Jack Campbell, the new barber, is located in the building owned by Mrs. Freda Hardies. He is a newcomer and we wish him much success.

Mr. Cartwright and son, make their weekly trip every Monday with a large truck full of vegetables, fruits cream and milk.

Mr. and Mrs. Art King came from Yuba City last week end with a nice load of vegetables and fruit.

Bill Moulton and a young man friend from Oakland, came up here hunting the first of the week.

Mr. and Mrs. Walter Evans, were visitors from Forest this week.

Miss Sara Kelleghan, Miss Norma Owens, Miss Josephine Owens, and Leslie Owens attended the show here Wednesday from Forest.

Art Moen motored to Forest Monday evening. He is employed at the Kenton Mine.

Quite a number of the younger folks from Forest come in to the "talkies" here each Wednesday—They sure are a happy bunch of youngsters.

Mrs. R. R. Anderson and Mrs. L. Trescott and son were visitors here this week. They spent the day and motored back to Nevada City in the evening.

Mrs. Al Skillon, and daughter, Mrs. John Berryman motored over to Grass Valley the first of the week.

It has turned ve ry cold here in the night and early morning, but the days are beautiful. It is real fall weather, which is really the very prettiest time of the year.

Malcolm McGregor visited his family in Grass Valley Sunday. The son, Malcolm Jr. accompanied his father home after having a pleasant visit with his grandfather, Mrs. Joe McGregor, of Forest.

Mr. G. Fageon is building three cabins here which we understand have already been rented.

W. D. Cook, representing the Minnesota Woolen Mills is here this week with a good line of woolen goods.

Cal Linnell and Dig Harris were in town from French Corral last Saturday.

LEGAL NOTICES

SUMMONS

In the Superior Court of the State Of California, in and for the County of Nevada.

ALICE HARE, Plaintiff, vs., C. B. CONLIN, DANA WICKS, CHAS. L. SALMON, MARY E. SALMON, W. D. HILL, S. A. PARNALL, LAURETTE E. PARNALL, JOHN DOE, RICHARD ROE, MARY POE, and BLACK AND WHITE COMPANY, a corporation, and any and all other persons, associations or corporations claiming any right, title or interest in and to the lands described herein. Defendants.

Action Brought in the Superior Court of the State of California, in and for the County of Nevada, and the Complaint Filed in the Said County of Nevada, in the Office of the Clerk of Said Superior Court.

CHARLES L. GILMORE,
Attorney for Plaintiff.

The People of the State of California Send Greetings to:—
C. B. Conlin, Dana Wicks, Chas. L. Salmon, Mary E Salmon, W. D. Hill, S. A. Parnall, Laurette E. Parnall, John Doe, Richard Roe, Mary Poe, and Black and Whie Company, a corporation, and any and all other persons, associations or corporations claiming any right, title or interest in and to the lands described herein, Defendants.

YOU ARE HEREBY NOTIFIED, that an action was brought against you by the above named plaintiff in the Superior Court of the State of California, in and for the County of Nevada, by filing a complaint in the office of the Clerk of said Court on the 30th day of April, 1932, in which action Alice Hare is plaintiff, and you are defendants.

Said action is brought by the plaintiff against you as defendants to quiet her title to the properties described in the complaint and set forth herein, and,

YOU ARE HEREBY DIRECTED TO APPEAR and answer said complaint before this Court to show what right, title, estate, lien or interest you or any of you may have or claim in or to the property described in said complaint, and herein set forth, adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, within ten days from the service of this summons, exclusive of the day of service, if served on you in said County of Nevada, and within thirty days, exclusive of the day of service, if served elsewhere; and you are further notified that unless you so appear and answer within the time above specified, that plaintiff will take judgement, forever quieting her title to the lands and premises herein described, or will apply to the Court for any other relief demanded in the complaint.

That said lands and premises are situate in the County of Nevada, State of California, and described as

The Northeast quarter (NE¼) of the Northwest quarter (NW¼- and the Northwest quarter (NW¼) of the Northeast quarter (NE¼) of Section thirty-six (36), Township eighteen (18) North, Range eight (8) East, Mount Diablo Meridian, and containing eighty (80) acres of land, according to the official United States survey thereof.

Given under my hand and the Seal of the Superior Court of the County of Nevada, State of California, this 30th day of April, 1932. (SEAL)

R. N. McCORMACK, Clerk.

State of California
Department of Public Works
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 502 State Office building, Sacramento, California, until 2:30 o'clock P. M. on Wednesday, October 19, 1932, at which time they will be publicly opened and read, for performing work as follows:

Sacramento, Placer, Yuba, El Dorado, Sutter, Butte, Yolo, Colusa, Glenn and Nevada counties, at various locations, about three hundred seven and seven-tenths (307.7) miles of traffic stripe to be applied to existing pavement.

Plans may be seen, and forms of proposal, bonds, contract and specifications may be obtained at above address.

No bid will be received unless it is made on a proposal form furnished by the District Engineer. Each bid must be accompanied by cash or a certified or cashier's check made payable to the Director of Public Works, for an amount equal to at least ten (10) per cent of the amount bid, such guaranty to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract.

The Department of Public Works reserves the right to reject any or all bids.

In accordance with the provisions of Chapter 397, Statutes of 1931, the Department of Public Works has ascertained the general prevailing rate of per diem wages applicable to the work to be done to be as follows:

Classification	Per diem wage
Common laborer	$4.00
Skilled laborer	5.00
Truck driver	5.00
Any classification omitted herein not less than	4.00

Overtime—One and one half (1½) times the above rates.

Sundays and holidays—Double the above rates.

The per diem wages listed above are based on the customary 8-hour working day and when less time is worked per day the amounts paid shall be the pro rata of the amounts listed above.

DEPARTMENT OF PUBLIC WORKS,
DIVISION OF HIGHWAYS
C. H. Purcell, State Highway Engineer.
By C. R. Whitmore, District Engineer, Dist. III.
Dated: October 3, 1932. O7-2t

NOTICE TO TAXPAYERS

Notice is hereby given by the undersigned that the taxes for the city of Nevada for the fiscal year 1931-32 are now due.

Said taxes will be delinquent on **Monday, October 10, 1932** at 6 o'clock p. m. and unless paid prior thereto 10 per cent will be added to the amount thereof.

Payment of said taxes may be made to me at the City Hall on Broad street and for the purpose of collecting the same I will be in my office in the City Hall from 8 a. m. until 12 noon; from 2 to 5 p. m. and from 7 until 8 p. m. each day until said taxes become delinquent.

Dated September 29, 1932.

H. H. HALLETT,
Chief of Police, Nevada City,
Ex Officio Tax Collector.

FORFEITURE NOTICE TO CO-OWNERS OF MINING CLAIM IN YOU BET MINING DISTRICT

TO J. A. SIMPSON and L. E. SIMPSON;

You are hereby notified that I have performed the annual labor required by law for the year 1931, upon the OCTO MINING CLAIMS situated in section 30, Township 16 North, of Range 10 East M. D. B. & M, in what is known as the You Bet Mining District, in the county of Nevada, state of California; and that unless in the time prescribed by law you pay your proportionate amount of said expenditure your interest in said mining claim will be forfeited to me under the provisions of Section 2324 of the Revised Statutes of the United States.

RUBE E. NOBEL...
First Publication Sept. 23, 1932.
Last Publication December 23, 1932.

ORE BUYERS' APPLICATION

In compliance with Section 1, Chapter 183, Statutes of 1929, the undersigned, whose principal place of business is at Nevada City, California, hereby gives notice that application has been made to the State Mineralogist for a license to carry on, within the State of California for the year ending December 31, 1932, the business of milling, sampling, concentrating, reducing, refining, purchasing and receiving for sale ores, concentrates and amalgams bearing gold or silver, gold dust, gold and silver bullion, nuggets and specimens.

Protest may be made by any person to the issuing of such license at the office of the State Mineralogist, Ferry Building, San Francisco.

DON CARLOS BILLICK.
O7-3t

NOTICE TO CONTRACTORS

Sealed bids will be received by the City Council of Nevada City for the construction of a reinforced concrete slab bridge with rubble-concrete walls, to be placed over Little Deer Creek on Nimrod street.

Construction to be in accordance with plans on file in the City Hall.

Bids will be opened Friday, October 14th, at eight o'clock P. M. at the City Hall on Broad street. The Council reserves the right to reject any and all bids.

R. J. BENNETTS, Mayor.
GEORGE H. CALANAN,
S30-3t City Clerk.

Youthful Strength
Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created
TITUS-PEARLS
to help the million of men and women who have lost or are losing their vital physical power. In his 25 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: **High blood pressure, hardening of the arteries, physical exhaustion** after work or exercise, **dizziness, depression, neurasthenia, etc.**
All these troubles can be removed with **Titus-Pearls. Numerous** cases were treated by Dr. Hirschfeld in his Berlin Institute.
L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental powers dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day. 2 tweeks later the medical report on this man was: General health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all wearinesse and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of life.
Start regaining your youthfulness now! To-day! In 2 weeks' time you will be aware of the new, virile force within you. Send $5.00 (cash registered or money-order) for 2 weeks' treatment.
To avoid mistakes please fill out the following coupon:

NEVADA CITY IS GROWING

Nevada City, "the best little city in the Mother Lode District," is growing. Every week the Nugget has carried news of building activities and improvements. Now is a good time to take advantage of low priced building material and labor. People from other parts of the country who visit here all comment on the activity and prosperity that is so different from conditions found in many other towns and cities. We have reason to be thankful and there is cause for optimism.

The Nevada City Nugget is trying to keep up with the procession and in two months time we have accomplished a great deal. Two months ago the Nugget was a four-page weekly with very little live news in its columns. Now we are printing TEN PAGES EVERY WEEK and practically all of the news is live, original matter. The circulation has had a steady growth, with over 150 new subscribers added to the list.

The publishers are thankful and appreciative of the support and encouragement received. We have worked hard and spent some real cash money in improving the plant and increasing the news content of the paper. We are not satisfied yet, and will continue to make the Nugget better and bigger as our patronage permits.

The size of a newspaper and the frequency of issue is dependent upon the amount of advertising patronage received. The publishers of the Nugget are ambitious and progressive, and the Nugget will always be as good as we can possibly make it, but there is one fact that many people do not realize and that is—no newspaper can be published at a loss and survive. In the last analysis the business men and residents of a community are more or less responsible for the kind of a newspaper that is published.

Join the Red Cross and Help The Distressed and Needy

SIXTY DISASTERS IN 1932 ADD TO NATION'S DISTRESS

Red Cross Spends $2,760,000 To Help Victims of Catastrophes.

In a year of great misfortune caused by economic depression, in which the American Red Cross assumed heavy burdens of relief for the unemployed, the organization also responded to emergency needs in 60 disasters in the United States and its insular possessions.

During the twelve months ending June 30, 1932, the Red Cross gave aid to 75,000 families totalling 338,000 individuals, with expenditures of $2,760,786. These people were in distress because of drought, flood, forest fire, tornado, snowstorm, mine explosion, or other similar great disaster.

Vallejo—Bids to be opened Nov. 10th for construction of $135,000 postoffice.

Work of paving new Crockett to Richmond highway, rebuilt by state at cost of $322,000 nearing completion.

Hollywood—Bids opened for site of proposed postffice.

Sacramento—City council approved plans for proposed radio broadcasting station, to cost about $25,000.

SUBSCRIBE FOR THE NUGGET

Clothes for the Needy

Women volunteers sewing for the needy under direction of the Red Cross produced 296,000 garments last year, and will produce millions of garments in the winter of 1932-33. These will be from the millions of yards of cotton cloth distributed by the national Red Cross from the 500,000 bales of cotton turned over to the organization by Congress. Cloth was sent to all chapters requesting it, and later it was proposed to send some simple ready-made garments, including trousers, overalls, underwear, stockings and sox.

Santa Clara—$85,000 allocated by government for local postoffice.

Huge Task of Nurses

Red Cross public health nurses, who work in hundreds of communities, are meeting the greatest demands in history for their services, due to the depression. Visits in maternity cases, protecting the health of infants and children, and aiding mothers in distress due to unemployment of the bread-winners have taken them into thousands of homes. The nurses made 1,357,000 visits to or on behalf of individuals, and inspected 949,000 school children. More than 58,000 adults were instructed in home hygiene and care of the sick.

Blind Readers Get Books

Books in braille for reading by the blind are made by women under Red Cross direction. Last year 2,813 such books were produced in single copy, and 3,538 in double copies. Fiction, biography, history, economics and school books were among those printed in braille. The Red Cross gives them to libraries for free distribution to blind readers.

Red Cross to Enlist Great Army of Members to Fight Distress

Last year 4,004,459 men and women joined the American Red Cross as members during the annual roll call, Armistice Day to Thanksgiving Day. A peace-time army even greater than this will be needed in 1932-33 to support and carry on the nationwide relief work of the Red Cross. There are 3,639 Red Cross Chapters and they have 10,000 branches.

Work expected to start shortly on highway project in the vicinity of Palo Alto and Sunnyvale, to cost more than $500,000.

CONSISTING OF

X-RAY PHOTOGRAPHS AND COMPLETE EXAMINATION

Do you have that tired, worn, all-in feeling that under the least exertion, seems to drain your last ounce of strength? Do you feel as tired in the morning as when you went to bed? Is it a hardship for you to go about daily work—in other words, have you lost your pep and energy? This condition is a danger signal, warning you of trouble existing within your body. Some part of your human machine is not functioning properly and shows that the weakess has already become great enough to send out a call for help. Nature is ever on the alert to warn us of approaching danger, and if we heed the call we can save ourselves time, misery and money.

WHICH DO YOU WANT—the effects treated or the CAUSE adjusted? Medicine, surgery, massage, electricity, violet-ray, electronic reactions, etc., are methods of treating disease the effects of a CAUSE. Chiropractic spinal adjustments, by relieving the nerve pressure upon spinal nerves corrects the cause of disease. The X-Ray will show you the misplaced vertebrae that is causing the nerve pressure. I adjust the misplaced vertebrae back to its normal position—HEALTH FOLLOWS.

Dr. H. L. Jones Proves "It's Your Nerves"

You are aware of the fact that every organ and part of your body is supplied with nerves. Pressure upon a nerve reduces its carrying capacity and is followed by some form of disease.

The only point where pressure upon a nerve to a degree sufficient to cause deranged functioning or disease can occur, is at the little openings between the vertebrae through which the nerves pass from the spinal cord.

LOCAL HAPPENINGS

Mr. and Mrs. John Schmidt, of Town Talk, are in Stockton on a business and pleasure trip. They expect to return sometime this week.

William Moulton, of French Corral passed through here Saturday on his way to Sacramento to attend to business matters.

"Bill" Fenton, of the Tom and Jerry hydraulic mine in the Quaker Hill mining district, came to town Friday for the week end and to attend to business matters.

Mrs. Zina Linnell of Oakland, is planning on spending the next two weeks with her daughter, Mrs. H. B. Wright, of Nevada City.

Fred Clarke made a visit to this city this week after a lapse of over 20 years. He was much pleased to see this little so busy.

Mrs. Zina Linnell of Berkeley, formerly of Grass Valley, arrived in Nevada City thursday night for a two week visit with her daughter Mrs. H. B. Wright.

William Wasley, Sr., of Town Talk, was taken to Nevada City Sanitorium Friday evening, where an emergency operation was perfomed by Doctor Marsh, of Grass Valley.

Paul H. Arnot, mining engineer from Berkeley arrived in this city Thursday to inspect mining conditions in this territory. He is a graduate of the University of California glass of '32.

Little "Bill" Wright son of Mr. and Mrs. H. B. Wright, returned to his school duties last Friday after several days at home due to injuries received while at play. His eye still shows some signs of the fracas but he is otherwise all O. K.

Friends will be happy to learn that Mrs. Mary E. Langley has fully recovered her illness of the past two months and is once more her very good self. She was down Friday last and greeted some or her many friends.

Mr. and Mrs. Frank Schmidt, who used to live in Nevada City, celebrated their fifth anniversary and also Mr. Schmidt's birthday at a dinner party held a week ago last Thursday in Stockton. Mr. and Mrs. John Schmidt of this city were the dinner guests.

Ernest De Pratti, owner of the "Three Black Cat" Mine located at French Corral, stopped in Nevada City last Saturday on his way to Sacramento for a business trip. He expects to return some time tomorrow.

Arriving in town Friday, Mr. and Mrs. Walter Wood, of Berkeley are here for a visit of undetermined length. Mr. Wood was born and raised in the San Juan ridge district and has many friends in this part of the country.

James Grimes, mining man of this city is planning a trip to his home in Oakland tomorrow or next day. He will go down by train and expects to be back by election time in November. He knows what is what when the election rolls around.

Tommy Jolliff, of Oakland came up to Nevada City for a deer hunt last Friday night. Saturday he got his buck and your correspondent had the pleasure of accepting a nice shoulder and leg that was mighty tasty

Last Wednesday a shipment of mine rails weighing 92,000 pounds was received by the Alpha Stores, Ltd. in Grass Valley. The shipment was made through the Nevada Co. Narrow Gauge R. R. via Colfax. That should keep the mines around here going for some time to come.

Aunt Kate Sullivan, Nugget correspondent from French Corral, made a trip to Nevada City last Saturday. She drove in with Joseph Swazey and we enjoyed a pleasant visit with her. They motored to Grass Valley before the return trip to French Corral and spent the day in visiting with her many friends.

Johnny Shelburn has been confined to his bed for the past three days under the care of Dr. Reed.

After suffering a severe heart attack a week ago last Saturday at Berkeley, it is reported that J. M. Foley is nearly recovered.

Miss Emma Erway returned to her hmoe Friday, where she will convalesce for the next few weeks. Miss Erway had an operation for appendicitis recently.

Clyde Mugford of the Valley Meat Market had tough luck when he recently bought a used car. Yesterday he found that the cylnider block was cracked.

Reverend Father P. O'Reilly is recovering from a severe cold which confined him to his residence for a few days last week.

Mrs. C. B. Anderson accompanied her husband back from Roseville Sunday of this week. Mrs. Anderson is making arrangements to move up here and in a few days the Anderson family will be nicely settled in their new quarters on Commercial street. Mrs. Anderson is very much pleased with the new surroundings.

Coach Beverly Barron, accompanied by Halfback Pierce, of the local high school football team, made a trip to see the California Aggie—College of Pacific foot ball game last Friday night. Barron formerly played as end on he Pacific football team and in his senior year had the honor of being elected captain of the team. Barron was pleased to see his team win. The score was 30 to 0.

After several days of investigation of mining properties in this section, Thomas E. Woodward and Ross F. Mills are returning to Las Vegas, where they have made their headquarters while in California. Woodward is from Montana, while Mills hails from Arizona. The men expect to return to this district as they were favorably impressed with some of the mines visited.

Cal Linnel of French Corral and George Adams, Grass Valley returnedfrom a two days visit to Oakland. Industrial conditions are picking up in the bay district according to Linnel, who in the past has been actively engaged in business in San Francisco, Oakland and Los Angeles. Such companies as Byron Jackson Pump Company and Atlas Imperial Deisel Engine Company are beginning to find new business this fall.

3,000,000 FAMILIES HELPED BY RED CROSS

Distress in All Areas Met by Giving Food, Clothing and Other Aid.

More than 3,000,000 families throughout the nation were given relief of various types by the American Red Cross in the past winter, to aid them in their distress caused by unemployment, disaster or other misfortune.

A major relief task, due to unemployment and other unusual conditions in the bituminous mining counties in twenty states, was met by the Red Cross chapters alone, or participating with other agencies. In these 143 counties, the Red Cross aided 90,000 families through giving groceries, school lunches, clothing, flour and other necessities to combat privation.

Flour, milled from government wheat turned over to the Red Cross by Congress, was given to 15,000,000 persons in the period from March 8 to June 30, the close of the fiscal year. Flour will continue to be given through the winter of 1932-33, and Red Cross chapters also will give cotton clothing, made from government cotton turned over to the Red Cross for distribution.

"The Red Cross faces the busiest winter since the days of the World War," Chairman John Barton Payne said. "It is organized in virtually every one of the 3,072 counties in the United States, and will co-operate with all agencies to meet distress wherever found. The flour has proved of great benefit, and the cotton clothing will be given wide distribution."

While carrying on nation-wide these unemployment and other relief measures, the Red Cross also was engaged in its regular peace-time activities in public health nursing, service to ex-service men and their families, teaching home hygiene, life saving and first aid. The Junior Red Cross, composed of almost 7,000,000 school children, also rallied to the support of the society's relief efforts, and the children aided others of their age in practical ways, formed sewing and food canning classes, and were of great assistance in chapter relief work.

While the wheat and cotton were given by the U. S. Government, no money was provided to pay for the necessary work entailed. The Red Cross will meet this expense of almost $500,000 from its treasury. Citizens can aid by joining as members of the local Red Cross chapter during the roll call from Armistice Day to Thanksgiving Day.

Tulare--Work progressing on First Church of Christ Scientist edifice, to cost about $4,000.

Work on elimination of Sausalito bottleneck, $300,000 project, to start in about six weeks.

NEVADA CITY LOSER IN GAME WITH SAN JUAN

down and ten to go. Local supporters are confident that with one or two more minutes of play, the boys would have scored again.

As it was, the defeat was by no means a smear on Nevada City High School's 1932 record. On the contrary, it was a game exhibition of grit and fighting spirit against a far heavier and more experienced team.

Nevada City was outweighed 19 pounds to the man. And in football that is some weight giving! Besides losing Tuckolini, Del Schiffner and Harry Brown were forced out of the game with injuries in the second quarter and did not get back until late in the game. Coach Barren had to use every man in the squad of 20 that made the trip.

In the line, Casci was usually the first man down on punts and Tucker at center played a whale of a game, nailing many a man behind the line of scrimmage. Bob Tamblyn played his steady game at right end, snaging passes and breaking up interference. Left end Doyle showed much improvement.

In the backfiield, Bud Pierce, with Elmer Oates and Buzz Chapman all played their positions well. Their blocking was much better than in the Placerville game. In fact the whole team showed fine results as a reward for their hard practice all last week.

Establishing a remarkable record Nevada Ciity completed a total of 11 passes out of 15 for two touchdowns and 170 yards gained. The off tackle smashes worked good and the eight punts averaged 36 y ards. Nevada City gained 11 first downs against 7 for San Juan and had a total gain of 230 yards gained from scrimmage and passes against 90 for the San Juan team.

Coach Barron is to be highly commended for the results of his work with the team this y ear. Starting with nearly all green material and not much of it, Barron has given the boys a lot of real football sense and a good spirit of sportsmanship. The result is now a smoothly working football team of which any school would be proud.
